Authorizes the use of laser scopes by certain hunters

The proposed legislation authorizes the use of a laser sight or sighting device which projects a beam of light to the target only by a person holding a physically challenged hunter permit, whose visual acuity is permanently uncorrectable at twenty/two hundred, or worse, as certified by a physician licensed to practice medicine by the Louisiana State Board of Medical Examiners. Such hunter shall be accompanied by another licensed hunter and only the person holding the physically challenged hunter permit may discharge the firearm.
